

Notice To Shareholders

Publication Of Financial Statements

This serves to inform shareholders of a delay in the publication of financial statements for the year ended 31 December 2023. This is a result of the additional time required to incorporate technical considerations pertaining to the application of IAS 21: Effects of Changes in Foreign Exchange Rates.

The Victoria Falls Stock Exchange has granted approval for the financial statements to be published by the 30th of April 2024.

By order of the Board.
